

**Job vacancy:
Staff nurse**

Number of available position: 2

General information:

Location: **Sliema (Malta)**

Form of employment: **full time**

Type of contract: **Permanent job**

Minimum monthly salary (Euro): **1950**

Job description:

Staff nurses must look after the patients who are admitted in their care: to assess patients' health and wellbeing across a complex a changing case load; to carry out nurse procedures in a professional manner and in accordance with the Hospital's protocols and consultant's preferences; to ensure all documentation is completed accurately and promptly; to store, order and record drugs and medication according to Company policies; to keep truck of drugs, lotions, and dressing used, ensuring the supply is available at all times while ensuring minimum amounts are help and that strict rotation of stock is maintained; to establish and maintain good working relationship with all departments of the Hospital; to be courteous and professional all the time with both clients and staff; to report all incidents and accidents appropriately and to write out reports accordingly; to liaise with different departments to ensure a satisfactory level of service is available at all times; to report all breakages and malfunctioning equipment to nursing office.

The nurses, just like the doctors, have to take round shift change and inform the other nurses on what is to be done for the patient. They also have to accompany the doctors while they make rounds and update them on the condition of the patients, bring all the pathology reports to the patients and put them into their file. The nurses will also oversee junior ancillary staff.
